

The Bristol Alliance invites you to celebrate the inauguration of  
Ackroyd & Harvey's  
**Twist**

Thursday 4 December 2008

Wrap up warmly and join us on the viewing balcony of House of Fraser Store (upper ground level Men's Department) from 6:30pm for a reception to celebrate the opening of Twist.

At 7.30 join us as we walk to the car park for the official switch on.

Located at the gateway to the city at the end of the M32, Ackroyd & Harvey's 20 metre high sculpture is clad in an intensive layering of thin dark grey slates—a waste material from the roofing industry—and is lit using power generated from its own solar and wind display.

Please RSVP by 1st December 2008 to Sam Wilkinson: [info@insitearts.com](mailto:info@insitearts.com)

InSite Arts

The celebration is an invitation only event. Due to the exclusive nature, invitations are non-transferable and a guest list will be in operation on the night.
